

Stage 11

Dedicated Pre-Lit Green

Who Uses This Stage?

As one of the only pre-lit LED, dedicated 3-wall green CYCs in Los Angeles, Stage 11 is perfect for productions that endeavor to innovate in post. The stage also includes over 200 proprietary digital sets and boutique services to help bring your dream projects to life. From feature films to national campaigns, this space has seen everything from high-wire harness stunts to award-winning VR executions.

Take your set to the next level with an internal elephant door linkage to Stage 10, our XR Stage.
